About Us

We, the Soncera group are very proud to announce the birth of our Peta company "Gracias ceramica". We have been diligently working as a tile and sanitary ware company, based in Morvi, Gujarat, India. Having an amazing international export channel in countries.

The utmost diligence in our work and a thirst for quality, lead today to the expansion of our visions and goals through this magnificent launch of "Gracias ceramica". "Gracias" as the name suggests "with grace", thus acknowledging our efforts in the upbringing of the Soncera group. Gracias ceramica, the growing production hub for the handy tile sizes of 600 x 600 & 600 x 1200mm which is crafted in multiple finishes like high gloss, glossy, carving, rustic, and matt are here to awe the world with its unique designs.

Size to Sate the Senses 600x1200mm

We designed and produced ceramic surfaces in size of 600x1200mm where pragmatism meets beauty, innovation completes tradition, and technology is shaped to human needs. Gracias's exclusive technologies, high standards, diligence and reliability are matched with style, taste, a passion for ceramics and a love of beauty. Because when design ends emotional ways begins. Our surfaces are crafted to make your space mesmerizing.
